

# CONSIDERING A QUALITY MOORING AT A BWML MARINA?

## Want to know what you get? There are several mooring products to meet your needs

### Full Residential Berth

A planning approved berth offering 12 months or longer live aboard status 365 days per annum.

- Minimum 16 amp electrical supply at berth - chargeable
- Free winterised water supply at berth
- Free parking subject to availability\*
- Free storage box - subject to land take and availability
- Post box
- 10% discount from BWML Chandleries
- 6 weeks free hard standing for maintenance subject to marina facilities

### Grade Two

Non residential leisure mooring with occasional long holiday stays.

- Minimum 8 amp electrical supply at berth - chargeable
- Free water at mooring
- Free parking subject to availability\*
- 10% discount from BWML Chandleries
- 4 weeks free hard standing for maintenance subject to marina facilities
- Overnight stays are not permitted between 1st November - 31st March (local variations may apply)

### Platinum Services

Exclusive to Sawley Marina.

Additional services to Full Residential or Grade One status are provided to moorings in an individual mooring basin and included in the berth-rate fee.

- Annual engine service
- RCR Silver Standard breakdown recovery service
- Secure gated basin
- Allocated car-parking
- Free winterised water at mooring
- 16 amp minimum electrical supply FREE up to £500 inc vat per annum usage, subject to local charges

### Grade One

Non residential leisure mooring allowing unlimited use.

- Minimum 16 amp electrical supply at berth - chargeable
- Free water at mooring subject to weather conditions
- Free parking subject to availability\*
- Free storage box - subject to land take and availability
- Free post handling
- 10% discount from BWML Chandleries
- 6 weeks free hardstanding for maintenance subject to marina facilities

### Grade Three

Basic mooring with limited facilities.

- Minimum 8 amp electrical supply available - chargeable not always at mooring
- Car parking available but not guaranteed
- Free water available (not at Mooring)

### Wide Beam

Wide Beam craft that exceed 3m inland waters and 4.5m coastal waters are subject to a 30% surcharge on the applicable fee for their length.

Where a berth has been specifically designed for wide beam craft (Kings Marina and Ripon Marina) these will be charged at a Berth rate regardless of boat length.

Craft that occupy 2 narrow boat berths will be subject to a 100% surcharge on their mooring fee.

\* Parking charges may apply at London Marinas and at Victoria Basin Marina
